Know your HLE Board

Terry Arnold - Hidden Lake Estates, HOA President, pictured here with his wife Pam, moved into our neighborhood in July of 2008. He is a manager in the field of laboratory science and enjoys spending time with his family, serving in his church, wood working and cycling. He and his fellow board members are committed to excellence through volunteer leadership, stewardship of assets, pro-active communication, service to residents and providing a safe and secure living environment.

Dr. Antwain M. Howard DVM, DACLAM. Vice President of the Hidden Lakes Estates HOA

Dr. Howard grew up in rural Marion, South Carolina where he developed his love for animals early in life. He attended Tuskegee University where he got his degree in Veterinary Medicine in 2008. After vet school he attended Stanford University School of Medicine in California for three years where he completed his residency and met his wife Princess Howard. In 2011 Dr. Howard accepted a job in Greenfield, IN and he moved to Hidden Lakes Estates with his wife and kids in 2013. He has served on the HOA Board for one year.

Rev. Karen Adkins is the Secretary of the Hidden Lakes Estates HOA. She has maintained this role on the board for approximately 3 years and she's been a resident of Hidden Lake Estates for 11 years. Her areas of expertise are Project Management, Economic Development and Community Development.

Richard Ruzewski, Board Member

In 1999 we designed and built our first home in Hidden Lake Estate with my partner Scott Rains. I been a part of the HOA from the beginning, we love the diversity of the community, the quietness and the great neighbors ! I have owned my business for 10 years, RLDesign, Inc., specializing in photography for architect and landscaping. I developed and currently maintain the Nextdoor and HLEindy websites for our community! I love the arts, as an artist, I love to create and of course decorate our home for Halloween and Christmas. I also enjoy decorating the main entry for the HLE! Last note I am a big fan of Doctor Who - reason why I built a police box (TARDIS) on my lawn for the holidays. Cheers!

Board Report

The board wants to extend a heart-felt appreciation for the leadership that the outgoing board president, Brian Gallagher, provided to our community for the past couple of terms. Some of the accomplishments under his leadership included mail box replacement, coordinating street-crack repairs, tree removal, acting liaison with attorneys, setting board member assignments and conducting both routine and annual meetings, not to mention fielding a myriad of questions, concerns and complaints from our community. He did all of this strictly as a volunteer with no monetary compensation for the countless hours of personal time sacrificed for our fair community. From all of us to you, many thanks Brian!

The 3 member board became 5 members at the annual meeting. They met under the new leadership of Terry Arnold to discuss action items from the November 3, 2016 annual meeting. They set the 2017 calendar and made plans to address dead tree removal; adding additional pole lights, snow removal and signage at bus stops; and connecting sidewalks.

In 2017 we would like to begin sending your quarterly newsletters electronically. To help with this you will be asked to provide an updated email with your 2017 dues.

Safety tips:

When parked in your driveway lock your doors and hide your garage door opener and electronic devices . At night, keep your outside garage lights and front porch lights on. Notify your neighbors when you're going to be gone longer than usual.
